Assign Yourself as an Available Provider

After logging into FirstNet, the Available Provider Check-in box opens:

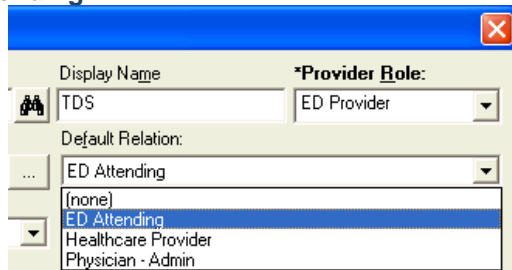

1. Select **Yes** to check in as an available provider.

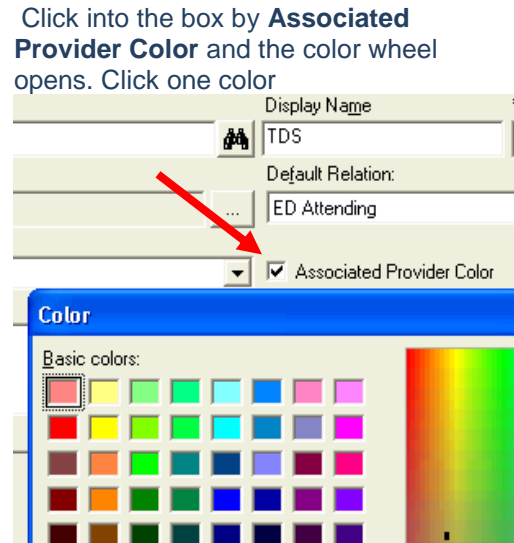

2. Establish your **Provider Role** from the drop-down menu.

3. Select your default location as **ED Attending**.

4. All ED providers should select a color to easily identify your assigned patients from the tracking board.

5. The color selection now displays

6. Click into the box by **Available Provider** to indicate you are currently available.

7. To enable the Critical Lab Icon to display, click the box by **Available Reviewer**. If this box is not checked the icon will not display.

8. When your shift is complete, or you are coming back from a break use the checkin and checkout icons to indicate your availability.

Check In- Person with the black Checkmark

Check Out- Person with the Red X
