

# UpToDate®

## Effortless Free CME is now easier than ever at Seton Healthcare Family!

Seton Healthcare Family is now offering UpToDate via **Compass** to all clinicians, providing access to all features, tools and CME credits. If you haven't registered with UpToDate® yet, you're missing out some of its unique benefits; free CME and the mobile app available soon!

Please register when you access UpToDate for the first time through the integrated link within Compass. UpToDate is located in the top navigation bar within the EMR. Here are a number of important reasons why you should register:

- ✓ **Easy to register** – The new registration process is quick and easy, plus you can now choose your own user name and password.
- ✓ **Easy to use** – Once you register, you earn CME every time you use UpToDate to research a question.
- ✓ **Easy to redeem** – Your credit can be accessed for up to two years through UpToDate, an accredited provider of **AMA PRA Category 1 credit**.
- ✓ **Access to the Mobile Application**-Once registered, you will gain access to the mobile application that is coming soon to Seton Healthcare Family!
