

Seton Healthcare Family

How do I get my own PACs account via the Internet?

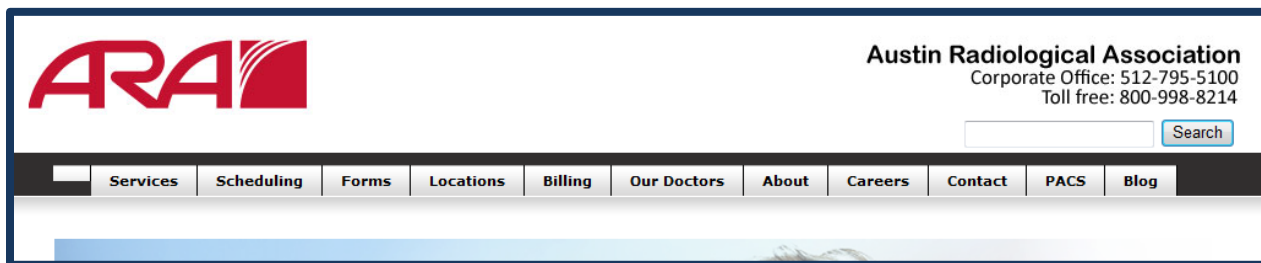

1. First, call x48992 to the PACs service desk to verify account status.

After 90 days of inactivity you will need to request a password reset

After 180 days the account is expired and are required to submit an account request form (listed below).

To request an account go to the website: <http://www.ausrad.com/>

2. The website landing page:

3. Scroll to the bottom of the page and select Request PACS

4. The Account Request page opens.

5. Scroll to the form section and fill in each field with the appropriate information. The first field selects other for Physician Acct Rep.

A screenshot of the "ACCEPTANCE AGREEMENT" section of the PACS Login Account Request form. The text reads: "Selecting the 'Disclaimer' checkbox on the login form signifies your agreement to the 'Disclaimer' checkbox, you will be permitted to submit your username and password to the Internet Explorer to login to the secure area." Below this is the heading "PACS Login Account Request". The form fields are: "* (denotes required field)", "Physician Account Rep:*" with a dropdown menu showing "Select" and a red arrow pointing to it, "First Name:*" with a text input field, "Last Name:*" with a text input field, "E-Mail Address:*" with a text input field, and "Subject:" with a text input field.

6. EMR Currently Used, enter Cerner or COMPASS and enter your user ID only example: Cerner-user name is JDoe020

The password field you can use the same password as used for the Seton Login Password. To utilize the Citrix Receiver the Seton login and Pacs login must match.

The PACs system will prompt a password reset for every 90 days.
